

Bisnode Slovenia awards  
**ADK d.o.o.**  
**AAA Certificate of Excellence in Creditworthiness 2018.**

This certificate from Bisnode Slovenija certifies that the business entity fulfils the international standard of excellence in creditworthiness and belongs to the highest order of excellence in creditworthiness in Slovenia. The business entity meets the criteria for excellence in creditworthiness in 2018, and is one of the most reliable Slovenian business entities, entitled to use the internationally recognized AAA status, which represents the global standard of excellence in creditworthiness.

Companies with excellence in creditworthiness achieve above-average results and are highly unlikely to experience any of the following events in the next twelve months:

- bankruptcy, compulsory settlement or liquidation (< 0,08% probability)
- deletion of the entity from the companies register (< 0,81% probability)
- freezing of bank accounts for over 90 days and listing as tax defaulter (< 0,41% probability)

There is a 98% probability that entities with a rating of AAA excellence in creditworthiness will also maintain their excellence in creditworthiness in the next year.
